JEFF GLOVER started his Real Estate career at the young age of 19. With a strong focus on prospecting and sales skills, Jeff quickly became the top agent in his office. He then started his own real estate team that is now composed of over 25 agents selling over 1,000 homes a year. Jeff not only talks the talk, he also walks it, at an average of 150 closings per year for himself personally. Jeff is known industry-wide as a top sales trainer and professional speaker. From his 16 years of experience, trial and error; Jeff has learned the best practices for taking a real estate business from 0-1,000 and making those who follow his training as successful as possible.
